Mineral Program

Sweetlix® 16:8 Meat Maker® is a 2:1 calcium to phosphorus mineral scientifically formulated to be fed to goats on pasture on a free choice basis. Sweetlix® 16:8 Meat Maker® helps goats attain maximum performance by providing a complete vitamin and trace mineral supplement, which includes copper and selenium, designed especially for the needs of meat goats. High quality ingredients are selected to deliver optimal nutrition to your goats.

Feeding and Management

Sweetlix® 16:8 Meat Maker® should be fed free choice continuously as the sole FREE CHOICE source of salt and minerals at the rate of 0.3 to 0.5 oz. per head per day. When consumed at this rate, Sweetlix® 16:8 Meat Maker® will provide 0.4 to 0.7 mg selenium.

Provide at least 1 mineral feeder per 10 head of goats for access purposes. Locate mineral feeders near a clean, fresh source of water. Mineral consumption levels will vary depending upon the mineral status of the goats.
