ACTIVE DRUG INGREDIENT

Diflubenzuron **0.02%**

Contains 90.8 mg of diflubenzuron per pound

ClariFly® is a registered trademark of Wellmark International

Predictable intake. Predictable fly control.

Excessive numbers of flies negatively affect cattle and equine performance. Weight gain, feed efficiency and milk production can be reduced. SWEETLIX® ClariFly® Fly Control pressed block is a convenient, complete mineral and vitamin supplement with feed-through ClariFly® for effective control of house flies, horn flies, face flies and stable flies.
